## TOWN GUIDE

Experience  
**MIDDLEBURY**  
 VERMONT

[ExperienceMiddlebury.com](http://ExperienceMiddlebury.com)

Middlebury is a special place. Whether you're here for a few days or a lifetime, we think you'll agree. The town is everything you'd expect in a quaint Vermont village—a white-steeped church, a Main Street lined with unique shops and a pretty town green...even a tumbling twenty-foot waterfall in the center of town.

Home to world-renowned Middlebury College, there's a thriving arts scene with museums and art galleries as well as regular lectures, theater, music, and dance performances. With the Green Mountains on one side and the Adirondack Mountains on the other serving as the most beautiful of backdrops, Middlebury's recreational opportunities are nearly limitless with hiking,

biking, golfing, skiing, fishing, boating on nearby lakes and streams and so much more.

For the less adventurous who just want to kick back and enjoy great food and beverage, Middlebury has that too with both casual and fine dining, as well as several tasting rooms where you can sample many of the fine beers, craft spirits and ciders that are produced right here.

There's always something new to discover about Middlebury, whether you are visiting for the first time or are lucky enough to call our town home. Middlebury welcomes you.
